Further Information

Mentoring Sessions with lady mentors, involves four holes being booked out at a time when other members won't be using them eg about 6pm. Split into groups, with each group starting at a different tee and moving round the 4 holes. A lady member will be with each group to help with etiquette, course management, rules, questions etc. This gives you a chance to play on the actual course and also to meet some of our ladies.

Each lady will be allocated an existing lady member as a contact for questions/advice etc.
